ORDER REQUIRING COMPLIANCE

On November 17, 2010, the debtor filed a chapter 7 petition. On November 17, 2010 the Clerk of Court reviewed the petition and served a Deficiency Notice on the debtor. The Notice allowed the debtor until December 1, 2010 to file all outstanding documents or the case would be automatically dismissed. A review of the file finds that the Means Test Form 22A has not been filed.

IT IS ORDERED that the court will allow the debtor additional time to file the documents. The debtor shall file, no later than December 30, 2010, any and all outstanding documents indicated on the Deficiency Notice (a copy of which is attached), failing which this case will be dismissed without further notice or hearing.

DATED this 10 day of December, 2010.
